Last Meeting

Marty Besso conducted a hands-on demonstration on making a beaded necklace with sterling wire. We encourage those attendees who completed the necklace to bring it to the next meeting.

Next Meeting May 20th

Charles Runko will speak on florescent minerals. Attendees may want to bring their own species to share with other members.

As always, refreshments will be served.

Franklin, NJ Bus Trip

Twenty-eight individuals went on the Club's sponsored trip to the one-day trip to the indoor and outdoor 30th annual New Jersey Earth Science Association's Gem and Mineral Show in Franklin, NJ on Saturday, April 27th.

Club Shirts

We are still investigating the costs and types of Club shirts available from different sources. This will be discussed further at the May meeting.

Limecrest Quarry - Sparta, NJ

The quarry, some eight miles south of Franklin, will be open on Sunday, May 19th. This is a working quarry that is open to the public only twice a year. **Safety equipment is required** (such as steel-toed shoes and helmet). Please call Charles Runko (631-543-7873) if you are interested in participating in this event that is open to Club members. Eastern Federation ID will be required.
