Any ideas???

We are considering a bus trip to the Museum of Natural History during the winter months. If we get enough participation this will be a bus trip.

Anyone interested in a tentative trip to Kentucky Labor Day Weekend 2014, please speak with Cheryl. Pending interest we can determine transportation.

Bring Your Gemstones & SEE LIVE how they Effect YOUR Energetic Field

Energetic Gems

Healing Gems of the Earth

with Kathleen S.

Kathleen's presentation will scientifically debunk the myths& mysteries behind the frequencies of gemstones. She will explain how these beautiful gifts from earth promote health; Physically, Mentally & Emotionally.

Kathleen, an engineer for over 30 years in this field, will be bringing a system that projects an individual's Auric Field and the effects a gemstone has on this field.

She encourages you to bring your favorite stones or crystals because after her presentation you will have the unique opportunity to sit with her one on one and SEE YOUR Field LIVE and the effects your stones have on you. This is definitely an opportunity you don't want to pass up.
